

## **Thank You, Lord**

By Kelly T. Dixon

I was standing, looking up, into the eyes of Your Son  
And right then I knew, He was the only One  
I knew He had paid the price for me  
I could not turn away from Him, I had to see  
It was so wonderful, and I knew it could be,  
For His eyes held a love for me and only me.  
And my heart quenched, and like an eagle it soared  
The only thing left was to cry . . . Thank You, Lord
