Charles Stanley's Life Principle #10
If necessary, God will
move heaven and earth to show us His will.

PRAYER FOCUS: _____

- Acts 9:1-22

On the Road to Damascus

When Paul starts out to Damascus what was his goal? (Acts 9:1-2)

How did God get Paul's attention? (Acts 9:3-9)
Do you think this was humbling?

Who was Ananias and what was his role in God's plan? (Acts 9:10-19)

This was a definite life changing experience for Paul. After the "scales" were removed from Paul's eyes, how quickly did he turn his zeal from being against Jesus to being for Jesus?

How can you discover God's plan for your life?

See Charles Stanley's Life Principle Notes.
