

Reflecting the Principle through Self Evaluation
Life Principle #24

*To live the Christian life is to allow Jesus
to live His life in and through us.*

Are you worried that you are not doing enough
to deserve a relationship with God?

What is distracting you from following God?

What would you say is creating a yoke
of bondage on you that shouldn't be there?

The God who saved you can teach you how to live for Him.
Ask Him to teach you how to allow Jesus to live His life through you.

How will you live out Life Principle 24?

Everything that concerns you is Christ's responsibility to care for rather than yours. Your job is to simply obey Him.

What is troubling your heart today?

What concern is consuming you with fear and doubt?

Think of the distractions that have been troubling you and keeping you from allowing Jesus to live His life through you. Submit these distractions to God and ask Him to show you how to overcome them in your life.

It is important that you realize the following . . .

If you don't allow Jesus to take care of the concerns of your life, then you'll continue being distracted by issues that were never yours to worry about, and you will miss the blessings of the abundant life that God planned for you.
