David and His Relationship with Saul and Jonathan

David & King Saul's Relationship (1 Samuel 22-31)

What does David display by sparing Saul's life?

Saul is never given the opportunity. However, based off of his constant pursuit of David, do you think he would have killed David if given the chance? Why or why not?

When opportunity is presented to you, do you take it regardless how God may feel?

David's Funeral Song for King Saul and Jonathan (2 Samuel 1:17-27)

David's funeral song must have been difficult to compose. This was for a friend (Jonathan) and a respected foe (King Saul). What does this song tell us about David's heart towards . . .

King Saul:

Jonathan:

In what ways do you show your heart to your friends and foes?
Regardless of your relationship with them, do you show them Christ?

David's Return of the Ark (1 Chronicles 13)

What was wrong with the way David was returning the Ark?

Do you think David "learned" his lesson? (See 1 Chronicles 15:1-2)

In what ways do you substitute your own direction for the direction God has given you?
How has doing so been harmful to your relationship with God or other's relationship with God?
